ABOUT US

WHO?

Signitize is the newest division of Hart Entertainment Inc., Ontario's largest and most established amusement solutions and novelty rentals company. With over 25 years of experience, we are experts in product innovation and customer service.

WHY?

To ensure your business is up to date with health and safety, while creating a bold, visual display. Protect your employees and customers while promoting your brand.

WHAT?

Introducing a modern hand sanitizing station! Our new and innovative Digital Hand Sanitizer Kiosk combines a touchless automatic hand sanitizer dispenser with a large 21.5" HD screen, so you can advertise and sanitize, all at once.

WHERE?

Our Digital Hand Sanitizer Kiosks are great for any public facing setting. Place them at entry points, lobbies, offices, retail spaces, restaurants and beyond.

FEATURES

Touchless Hand Sanitizer Dispenser

An automatic hand motion sensor allows for safe and contactless dispensing of hand sanitizer. 3L container offers up to 1500 uses before refilling.

Digital Display

A 21.5" HD touchscreen tablet lets you display any multimedia of your choice, from key messages to advertisements, promotions, and more.

CMS Software

A built-in CMS software lets you upload and schedule your multimedia remotely, so you can access and update your display at any time.

Easy to Refill

A red light sensor will notify you when it is time to refill the hand sanitizer. Simply refill the 3L container with any hand sanitizer (or contact us about our sanitizer program).

Custom Branding

Custom wrap your Digital Hand Sanitizer Kiosk with your branding or colour scheme of choice. Ask us about our customization services!

Size & Weight

A compact and sturdy frame allows you to easily move around your placement of the kiosk, which is available in floor or wall mounted models. Size: 19" W X 16" L X 71" H.
Weight: 100 LBS

GALLERY

Prepare your business for the new normal with a hand sanitizing station that lets you promote your brand or message. Our Digital Hand Sanitizer Kiosks are ideal for high-traffic areas such as entry points, lobbies, offices, retail spaces, restaurants, and beyond.
